

Product description

The SFX universal plug with plastic sleeve is made of polyamide. It is used for fastening elements to most building substrates. The sleeve is equipped with ribs and stabilizing fins that prevent rotation during installation and ensure initial fixing in the substrate. The unique shape of the sleeve allows installation in both solid and hollow materials.

Assortiment

Code	Plug length (mm)	Packaging (pcs/box)
SFX-05025	5 x 25 mm	400
SFX-06030	6 x 30 mm	200
