

Product description

The DKISO is designed for the reliable fastening of insulation on flat roofs. It ensures good pressure distribution and strong anchoring.

Technical description

Plate

- Diameter: 70 mm
- Plate thickness: 0.7 mm
- Material: carbon steel / galvanized / Magnelis
- Hole diameter: 5.5 / 8 mm

Screw

- Screw diameter: 4.8 mm
- Screw head diameter: 9.0 mm
- Drive type: TORX-20
- Material: carbon steel

European Technical Assessment: ETA-15/0578

Assortiment

Code	Dimensions (mm)	Packaging (pcs/box)
DKISO080	4,8 x 80 mm	200
DKISO100	4,8 x 100 mm	200
DKISO120	4,8 x 120 mm	200
DKISO140	4,8 x 140 mm	200
DKISO160	4,8 x 160 mm	200
DKISO180	4,8 x 180 mm	200
DKISO200	4,8 x 200 mm	200

Montage
