

## Product description

Copper nails have been used for centuries for natural slates. They are soft, adapt to the porous slate hole, and over time form a protective corrosion layer that prevents further rust and provides extra sealing of the hole.

## Technical description

- Nail material: copper
- Nail diameter: 2 to 4.5 mm
- Nail length: 20 to 150 mm
- Color: natural

## Assortment

Code	Dimensions (mm)	Packaging (pcs/box)
LNRK3025	3 x 25 mm	5
LNRK3027	3 x 27 mm	5
LNRK3030	3 x 30 mm	5
LNRK3035	3 x 35 mm	5
LNRK3040	3 x 40 mm	5
LNRK3045	3 x 45 mm	5
LNRK3050	3 x 50 mm	5
LNRK3055	3 x 55 mm	5
LNRK3060	3 x 60 mm	5
